

EVENT #1 - Technical Forum Registration
EVENT #2 - OutBack Power Training Registration
Other Important Information
April 3, 4, 5, 2003 - Sacramento, CA

EVENT #1 Thursday, April 3 & Friday, April 4 - Manufacturer's Technical Presentations

LIMIT 150 ATTENDEES - LIMIT 150 ATTENDEES - LIMIT 150 ATTENDEES

Energy Outfitters is pleased to announce our Sacramento Technical Forum. Our forums always deliver high quality technical information from leaders in the solar industry and provide a super networking opportunity. Manufacturers participating in this forum are:

SHARP Solar	SMA - Sunny Boy	OutBack Power Systems
Grundfos	Direct Power & Water	Evergreen Solar

Each manufacturer will have demonstrations and information on current and soon to be introduced solar equipment. Manufacturers and Energy Outfitters representatives will be available to answer your technical and market questions. See the full meeting agenda for complete details!

EVENT #2 Saturday, April 5 - OutBack Factory Trained Technician Program

LIMIT 75 ATTENDEES - LIMIT 75 ATTENDEES - LIMIT 75 ATTENDEES

We are offering **Factory Training** with OutBack Power Systems on their line of off-grid power electronics. In order to receive your **Outback Factory Trained Technician** status you will need to attend the OutBack workshop on Saturday. This training is designed for people who are involved in the off-grid market or have opportunity in the off-grid market. Space is limited so reserve your spot now! Groups of 18 to 20 will use production equipment to learn about features and operation. You'll also disassemble, reassemble, identify and correct fault conditions, program and test performance. OutBack engineers will be on-site to work directly with you.

You'll want this detailed training as these innovative designs represent state of the art performance and have many new features that are interactive, allowing you to do field service at your customer's location. **To make this an effective event, attendance will be limited to the first 75 attendees who sign up.**

Cost and Contact Info

There is a **\$75 dollar registration fee** for each person attending the forum. You may pre-register with a credit card or pay by check.

We will provide light snacks and drinks at each break and lunch on Friday and Saturday at no charge. You are responsible for making your own hotel reservations and the cost of your hotel. We have arranged discounted rates for the group. When making your reservations at the Sacramento Vagabond Executive Inn, let them know you are with the Energy Outfitters Group.

Please fax or E-mail Leslie to confirm your attendance as soon as possible.
